### Forward-looking statements

This document may contain forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995, such as statements that include, without limitation, the words 'expect', 'estimate', 'project', 'anticipate', 'commit', 'believe', 'should', 'intend', 'will', 'plan', 'could', 'probability', 'risk', 'Value-at-Risk (VaR)', 'target', 'goal', 'objective', 'may', 'endeavour', 'outlook', 'optimistic', 'prospects' and similar expressions or variations on these expressions. These statements concern or may affect future matters, such as Coutts & Co's future economic results, business plans and strategies. Forwardlooking statements are subject to a number of risks and uncertainties that might cause actual results and performance to differ materially from any expected future results or performance expressed or implied by the forward-looking statements. Factors that could cause or contribute to differences in current expectations include, but are not limited to, the outcome of legal, regulatory and governmental actions and investigations, the level and extent of future impairments and write-downs, legislative, political, fiscal and regulatory developments, accounting standards, competitive conditions, technological developments, interest and exchange rate fluctuations, general economic and political conditions, the impact of climate related risks and the transitioning to a net zero economy. These and other factors, risks and uncertainties that may impact any forward-looking statement or Coutts & Co's actual results are discussed in Natwest Group plc's 2022 Annual Report and Accounts (ARA), Natwest Group plc's Interim Management Statement for Q1 and Q3 2023, Natwest Group plc's Interim Results for H1 2023, and other public filings. The forward-looking statements contained in this document speak only as of the date of this document and Coutts & Co does not assume or undertake any obligation or responsibility to update any of the forward-looking statements contained in this document, whether as a result of new information, future events or otherwise, except to the extent legally required.

#### Presentation of information

This document presents the consolidated Pillar 3 disclosures for Coutts & Company (Coutts & Co) at 30 September 2023. It should be read in conjunction with the Q3 2023 NatWest Holdings Group Pillar 3 report, which is published in the same location at: investors.natwestgroup.com/reports-archive/2023

Coutts & Co is incorporated in the United Kingdom and is a subsidiary of NatWest Holdings Limited ('NWH Ltd'). NatWest Group plc is 'the ultimate holding company'. The term 'NatWest Group' refers to NatWest Group plc and its subsidiary and associated undertakings.

Based on the criteria set out in the CRR, NatWest Group primarily defines its large subsidiaries in scope of PRA Pillar 3 disclosures as those designated as an Other Systemically Important Institution (O-SII) by the PRA or those with total assets equal to or greater than €30 billion.

Coutts & Co as a large, non-listed subsidiary of NatWest Group, is subject to a reduced number of disclosures as set out in the PRA Rulebook.

The disclosures for Coutts & Co are calculated in accordance with the UK CRR (split across primary legislation and the PRA Rulebook) and completed in accordance with the Disclosure (CRR) part of the PRA Rulebook.

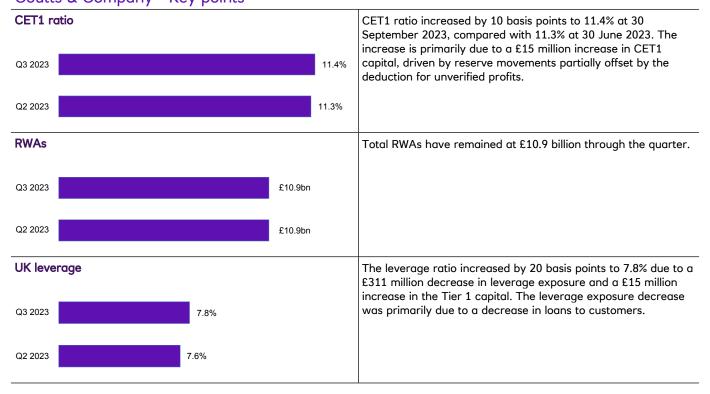

The liquidity disclosures completed at UK Domestic Liquidity Subgroup (UK DoLSub) level are published in the NatWest Holdings Group Pillar 3 report. The UK DoLSub waiver allows NWB Plc, RBS plc and Coutts & Co to manage liquidity and funding as a single sub-group rather than at an entity level.

Row and column references are based on those prescribed in the PRA templated. The IFRS 9-FL disclosures have been prepared using the uniform format published by the EBA.

In the report, in line with the regulatory framework, the term credit risk excludes counterparty credit risk, unless specifically indicated otherwise.

The Pillar 3 disclosures are presented in pounds sterling ('£') and have not been subject to external audit.

## Annex I: Key metrics and overview of risk-weighted assets Coutts & Company - Key points

### Annex I: Key metrics and overview of risk-weighted assets continued UK KM1: Key metrics

The table below provides a summary of the main prudential regulation ratios and measures. Coutts & Co has elected to take advantage of the IFRS 9 transitional capital rules in respect of ECL provisions. The revised transition amendments will maintain a CET1 add-back of relevant ECL provisions until 31 December 2024.

	30 September	30 June	31 March 3	1 December 30	) September
	2023	2023	2023	2022	2022

Liquidity coverage ratio (4)					
Total high-quality liquid assets (HQLA) (weighted value-average)					
UK 16a Cash outflows - Total weighted value UK 16b Cash inflows - Total weighted value					
16 Total net cash outflows (adjusted value)					
17 Liquidity coverage ratio (%)					
Net stable funding ratio (4)					
Total available stable funding Total required stable funding					
rotar roganios otablo ranianing					
NSFR ratio (%)					

<sup>(1)</sup> The institution specific countercyclical capital buffer requirement is based on the weighted average of the buffer rates in effect for the countries in which institutions have exposures. The UK CCyB buffer increased from 1% to 2% from 5 July 2023.

Represents the CET1 ratio less CET1 currently used to meet SREP requirements (Pillar 1 & 2A).

Coutts & Co is not an LREQ firm therefore not subject to the additional leverage ratio disclosure requirements.

Under the UK DoLSub waiver Coutts & Co liquidity is managed and disclosed at the sub-group level rather than entity level.

The following rows are not presented in the table above because they have zero values: UK8a, UK9a, 10 and UK10a.

# Annex I: Key metrics and overview of risk-weighted assets continued IFRS 9-FL: Comparison of institutions' own funds and capital and leverage ratios with and without the application of transitional arrangements for IFRS 9 or analogous ECL

The table below shows key prudential regulation ratios and measures with and without the application of IFRS 9 transitional relief. Coutts & Co has elected to take advantage of the transitional capital rules in respect of ECL provisions. Following the adoption of IFRS 9 from 1 January 2018, the CRR introduced transitional rules to phase in the full CET1 effect over a five-year period. The revised transitional amendments will maintain a CET1 add-back of relevant ECL provisions until 31 December 2024. Capital measures in this table are presented in line with table UK KM1.

		30 September 2023	30 June 2023	31 March 2023	31 December 2022	30 September 2022
